

3IN1 COLLIMATOR LENS 10DEG

Features

- High optical efficiency
- Uniform light pattern
- High light intensity

Applications

- Spotlights
- MR-16
- Others

Optical Performance (Theoretical)

- Beam angle FWHM 10 +/-3 Deg
- Optical efficiency >87%
- On axis light intensity 14 cd/lm

Light Sources

- Luxeon, Luxeon A, LG 3535

Dimensions

- Ø34.50mm x H12.98mm

Material

- Optical grade PC
